SUMMARY SHEET

I. Description of Item

This resolution approves an intergovernmental agreement between Shelby County, the Town of Collierville and TDOT for road improvements to Byhalia Road and East Shelby Drive that will involve construction in both Collierville and Unincorporated Shelby County. The roadway construction will consist of earthwork, curb and gutter, drainage facilities and pavement for improvement to four lanes. Construction starts approximately 1,100 feet west of Byhalia Road on East Shelby Drive and extends to 600 feet east of Byhalia Road. The improvements to Byhalia Road begin approximately 1,300 feet south of East Shelby Drive and extend north to 600 feet south of SR 385.

The purpose is essentially to provide Shelby County's approval of the proposed roadway improvements to be constructed within unincorporated Shelby County, to authorize execution of construction easements to allow Collierville's use and occupancy of the County roadway right-of-way for construction and for the County to accept responsibility for maintenance of said roadway improvements.
